

## SCHOOLS HEARING AUTISTIC PUPILS' EXPERIENCES

£75 per person

Cognus EPS is excited to introduce **SHAPE**, an innovative action research project aiming to support your journey to becoming an autism-friendly school.

### Who's it for?

- Adults supporting Key Stage 1 and 2 children with an autism diagnosis or with social communication needs, such as Autism Leads
- Senior Leadership Teams (SLT)

### Staff from participating schools will receive:

- Half-day training on autism research, skills for capturing pupil voices, and an introduction to SHAPE.
- Reduced rate as part of pilot programme
- Four EP supervisions to support staff in understanding two case study children's school experiences.
- EP consultation with the Senior Leadership Team to share SHAPE findings and create a whole-school action plan to better support autistic pupils.

### Key Dates

**28th February** - Training  
**17th March** - Supervision 1  
**31st March** - Supervision 2  
**28th April** - Supervision 3  
**19th May** - Supervision 4  
**June (TBC)** - Whole-school consultation
